MISSION

Over recent years there has been a decline in American Values. We invite you to help us reverse this trend by being a part of our new Production Company: M.O.R.A.L. Productions, or Made Of Real Authentic Love. We produce high quality films without unnecessary profanity, sexual exploitation, or excessive violence.

Based on the Calington Castle Book Series by R.A. Feller

Synopsis

Game of Thrones Meets Lord of the Rings, Calington Castle is a medieval fantasy adventure that follows the epic journey of PRINCE LIAM; forced to deal with his father's (KING HENRY) demons that cripple Calington Castle internally, as well as fending off The Evil One's attempts to capture his soul, as he travels outside the walls to find the culprit. PRINCE LIAM must also overcome the KING of ORTH, who has enlisted a vengeful WITCH, to protect the Calington Kingdom, while gaining the necessary Christian knowledge from a few wise souls along the way. In the end, it takes all of LIAM'S faith in God's wisdom to save his soul, and repair his relationship with his father.
